5. [] Talked with Miss Morrison, in the office of Representative Chet Holifield, and indicated the Director's interest in meeting with the Chairman and Senator Anderson at the earliest opportunity. Miss Morrison explained that Mr. Holifield was out of town and would not return until sometime late Monday. She has scheduled a meeting on his calendar for 9:00 Tuesday morning. It was determined that this time was also convenient for Senator Anderson and the meeting will be held in the secure area of the Joint Committee on Atomic Energy.

6. [] Handcarried to Representative Cleland Lipscomb a sensitized paper on [] Mr. Lipscomb reviewed the paper and thought it was most satisfactory for his purposes in dealing with Grant Salisbury of U. S. NEWS AND WORLD REPORT who had originally queried him on [] Mr. Lipscomb will use the paper without attribution to the Agency.

7. [] Talked with Mr. McIntyre, in the office of Senator Edward Kennedy, regarding his referral of a letter from [] I briefed McIntyre on the Agency's investigation of [] statements in connection with an inquiry made by Representative Bates and provided McIntyre with copies of our letters to Mr. Bates. I pointed out that while we were most sympathetic to [] problem, we had found no basis in the records of this Agency or predecessor agency to substantiate his claim and had advised him of his rights under the Federal Employees Compensation Act. McIntyre seemed to appreciate the lengths to which we had gone in this case and merely commented that it appeared [] was trying to make another approach through the Senator's office. McIntyre will handle this.

8. [] On the Director's instruction, I passed to Senator Thomas J. Dodd the Director's commendation of the Senator's speech on news coverage in Vietnam.
